Dear Mr. Craig :

This is in response to your request made under the *Access to Information Act* (the *Act*) for the following information:

Copies of documentation that includes information on the number of Canadians that left Canada to receive health care in other countries. I am looking for the data for 2016 and 2017 (or 2016-17 and 2017-18 if the data is captured by fiscal year). If any reports or analysis has been done in this area, please provide copies of such reports. A summary table is acceptable if a large volume of records must be searched or reviewed before disclosure.

Having completed a thorough search, we regret to inform you that we were unable to locate any records responsive to your request. You may wish to file a Freedom of Information and Protection of Privacy request with the provinces and territories.

Should you have any questions or concerns about the processing of your request, please do not hesitate to contact Christina David, the analyst responsible for this file, either by email at christina.david@canada.ca, by phone at (343) 998-1894, or by fax at (613) 941-4541, with reference to our file number cited above.

Please be advised that you are entitled to complain to the Office of the Information Commissioner of Canada concerning the processing of your request within 60 days of the receipt of this notice. In the event you decide to avail yourself of this right, your notice of complaint can be made online at: <http://www.oic-ci.gc.ca/eng/lc-cj-logde-complaint-deposer-plainte.aspx> or by mail to:
