

This letter is in response to your request under the Freedom of Information and Protection of Privacy Act for access to food service facilities (that sell food/beverages to the public) in the hospital for 2017/18 and 2018/19. You have requested that the data be broken out by health facility, year and the names of any cafeterias or food service vendors wherever possible. If the vendors are privately operated please provide the amount of rent paid to the hospital.

I am pleased to grant you access to the 2017/18 and 2018/19 revenues and expenses report for the cafeteria and food services at NSHN.

Access cannot be provided to records related to names of any cafeterias or food service vendors as the records do not exist. At NSHN we do not utilize any external vendors; we provide limited internal cafeteria services only.

You may request that this decision be reviewed by the Information and privacy Commissioner.

The Commissioner can be reached at:
