**Re: Access to Information Request, SHA-2019-065**

Pursuant to section 7 of the Act, the SHA is pleased to advise that your request has been processed and this letter is to inform you that the responsive records are attached. Initially you had requested **“data on all expenses and revenues for all cafeterias and food service facilities that sell to the public in the health region for 2017/2018, 2018/2019. Break data out by facility, year, and the names of the cafeteria/vendor”** Through our conversation you were agreeable that the data for the facilities in Regina, Saskatoon, and Moose Jaw would provide the information you were requesting.

Please note that the provided data does not include the expenses and revenue for the Tim Hortons located within the St. Paul’s Hospital in Saskatoon, as well as the Robin’s Donuts located within the Pasqua Hospital and General Hospital in Regina, as they are owned and operated independently of the Saskatchewan Health Authority. Further, the data related to the Royal University Hospital in Saskatoon does include the revenue and expenses for the Starbucks located within, as that is an owned and operated franchise of the Saskatchewan Health Authority. As well please note that some costs are based on allocations as retail food operations are blended with patient food services.

If you have any questions regarding this file, please contact me by telephone at (306) 655-7549 or by email at michael.mcgill@saskhealthauthority.ca.

Should you be dissatisfied with the response you receive or the manner in which your request is handled, as per section 38 of the Act you may, within one year of being given written notice or from the date deemed to be the last day of notice, apply for a formal process review by submitting a written request to:

Office of the Information and Privacy Commissioner

Please note that it would be most helpful if you could cite the assigned identifier number when making an enquiry.
