Re: Your request for access to information under The Freedom of Information and Protection of Privacy

On Jan. 21, 2020 the Interlake-Eastern Regional Health Authority received your request for access to the following information:

1. Please provide data on the number of patients that died while on a waiting list for a surgical procedure in 2018-19. Please break the data out by procedure and case info – date the patient was referred to a specialist, date for the procedure and date of cancellation. Please also note the government's target time for providing the procedure in question.

The Interlake-Eastern RHA is pleased to inform you that to our knowledge we have had no patients die while on a waiting list for a surgical procedure in 2018-19.

If you have any further questions, please contact me at 204-785-4701.

Sincerely,

Ron Van Denakker
