Thank you for your access request under the Freedom of Information and Protection of Privacy Act which we received on February 11, 2021.

We note that your request to access the following:

- Data on the number of patients that died while on a waiting list for either a diagnostic scan or a consultation with a specialist in fiscal year 2019-2020.

Please note that your request has been granted partial access to the number of patients that died while on a waiting list for either a diagnostic scan in fiscal year 2019-2020, based on the information that was captured. Please see the attached document.

The request for number of patients that died while on a waiting list for a consultation with a specialist in fiscal year 2019-2020 cannot be fulfilled as that information wouldn't have been captured by Guelph General Hospital.
