

March 31, 2021

Dear Mr. Haubrich:

RE: FIPPA Request: **SHN 2021-003**

Your request was received by the Scarborough Health Network (SHN) Privacy department on **February 3rd, 2021**, and clarified by phone on **February 26th, 2021**.

Your clarified request is for the following information:

- Please provide data from the hospital's Wait Times Information System (WTIS), on the number of patients on the waitlist for MRI and CT Scans that died in fiscal year 2019-2020. The death date of the patient will be excluded. If possible, please provide the following details:
 - The type of scheduled procedure (Including Service Area and Details when applicable) *In cases where the uniqueness of the procedure would reveal the identity of the patient, service types and details will not be disclosed.*
 - Patient type (I.e., Inpatient, Outpatient, Emergency, etc.)
 - Scheduled Procedure Date and Time
 - Order Received Date and Time
 - Governments' target time
- The organization will state caveats and parameters to be aware of, to ensure the data is representative.

A search has been conducted and the responsive records have been identified. A decision has been made to release the records in full. Please see the spreadsheet attached.

You may request the Information and Privacy Commissioner to review the sufficiency of our institution's search for records within thirty days from the date of this letter. The Commissioner's address is Suite 1400, 2 Bloor Street East, Toronto, Ontario, M4W 1A8. The appeal fee is \$25.00 for general record requests, payable by cheque or money order to the Minister of Finance and must be included with your correspondence.

If you have any questions or concerns about your request, please do not hesitate to contact me in writing at jmunroe@shn.ca or by telephone at 437-994-6302.

Sincerely,

Dr. Bert Lauwers, MD, MPPAL, FCFP, CCPE
Executive Vice President Medical and Clinical Programs
Interim Chief of Staff

Based on the information requested regarding patient deaths at SHN while on a waitlist for CT and MRI Scans from 2019-2020, the following caveats must accompany this Data Sheet:

- Data Source: Wait Time Information System (WTIS)
- WTIS only includes MRI and CT exams
- Cases included were scheduled between April 1, 2019 - March 31, 2020 and cancelled with reason of Patient Death
- There are 2 cases that were scheduled for both MRI and CT exams that are the same patient (patient 68 and 69)

Patient	Patient Type	Procedure No Longer Required Reason(s)	Order Received Date and Time	Scheduled Procedure Date and Time	Service Area	Service Detail 1	Service Detail 2	Provincial Target - Wait 2 Access Target (Days)
1	Outpatient	Patient Death	04/30/2019 16:43	05/27/2019 11:30	MRI and CT	CT Scan	Abdomen	28
