## Re: Decision Letter - Our FOI Request Number FOI-10-2020

Thank you for your access request under the Freedom of Information and Protection of Privacy Act (hereinafter "FIPPA").

Although you submitted four (4) separate FIPPA requests, we intend for the purposes of this letter to deal with them as one but in four parts.

1) Please provide all documents from October 2020 and November 2020 that are related to the hospital's Tim Hortons losses. Please include emails, briefing notes, draft letters to the editor, memos as to why the Met Campus loses money.

We are conducting a diligent search for these records listed above that are related to "why the Met Campus loses money" and can confirm that we agree to produce any and all responsive records, if they exist.

2) Further to freedom of information request FOI-02-2020, the Windsor Regional hospital indicated its Tim Hortons facilities incurred \$928,759 and \$942,677 in expenses at its Met Campus location in 2017-18 and 2018-19 respectively and \$955,756 and \$1,019,880 in expenses at its Ouellette Campus location during the same period. For each year, and each facility, please indicate how much of those totals represent rent/accommodations, utilities (heating, electricity etc.) and overhead.

No records exist to indicate the breakdown of these totals in the categories that you request. Windsor Regional Hospital does not assign these costs to departments in the hospital.

3) Similar to FOI request FOI 02-2020, please provide data on the expenses and revenues for all cafeterias and food service facilities (that sell food/beverages to the public) for 2010/11 – 2017/18. Please break out the data by health facility, year, and the names of any cafeterias or food service venders wherever possible.

We are conducting a diligent search for these records and can confirm that we agree to produce any and all responsive records, if they exist.

4) Please provide documentation on the wage scale for employees at the Windsor Regional Hospital's Tim Hortons. Please also provide "loaded wage" figures if possible (a calculation of hourly wages plus benefit costs) as well as details on whether or not employees belong to a workplace pension (and if so, which one).

This request is denied. Windsor Regional Hospital relies on Section 65(6)(3) of FIPPA with respect to this denial.

You may request that our decision be reviewed by the Information and Privacy Commissioner. The Commissioner can be reached at:

Registrar Information and Privacy Commissioner/Ontario 1400-2 Bloor Street East Toronto, ON M4W 1A8

Please contact the writer at 519-254-5577 ext. 52510 or by email at <u>adam.paglione@wrh.on.ca</u> if you have any questions.

Sincerely,

Alam Pypour.
