APPLICANT COPY - OWES \$15.90

Dear Ms. Schulz:

Re: Freedom of Information request-FOI 60-2021

Under the provision of the *Municipal Freedom of Information and Protection of Privacy Act*, you submitted an access request on June 14, 2021 in which you asked for the following corporate records:

"Documentation on the names or positions of anyone the City provided free parking spots/stalls/passes to in 2020. For example: 1) All Councillors received a pass to park for free at the City's parkade and a pass to park at metered parking without charge; 2) Chief of Police received a pass to park for free at the City's parkade; 3) Fire Chief received a pass to park at a City parking lot."

Responsive records pertaining to your request were located in the Public Works - Parking Services department and I am granting **partial disclosure** to the records, under section 14, *Municipal Freedom and Protection of Privacy Act*.

Please note that some of these records contain personal information belonging to other individuals and this personal information must be severed from the responsive records. The City relies on the exemption under section 14 of the Act. You may also refer to the *Municipal Freedom of Information and Protection of Privacy Act*, section 2(1) Definition of Personal Information, section 31 Use of Personal Information, and section 32 Permitted Disclosure. I have included a copy of the pertinent sections of the Act for your records.

Based on my review of the documents obtained from the department, **the total fees to process your request are \$15.90.**

The fee is calculated as follows for manually searching and photocopying the records:

2021 - City Hall Area and City Wide				Mass Vaccination Project
