RE: Your request for access to information under Part 2 of *The Freedom of Information and Protection of Privacy Act* (FIPPA 21 07 554)

On July 5, 2021, the City of Winnipeg received your request for access:

Please provide documentation on the names or positions of anyone the City provided free parking spots/stalls/passes/ to in 2020. For example: 1. All councillors - received a pass to park for free at the City's parkade and a pass to park at metered parking without charge 2. Chief of Police - received a pass to park for free at the City's parkade 3. Fire Chief - received a pass to park at a City parking lot

In your application, you have asked for distilled information. As outlined in section 2 of FIPPA, one of its primary purposes is to allow access to records, not to distil information; however, in this case, we were able to create a record which addresses your request, as per s.10(1)(a) and (b), and, in accordance with section 14(1)(a). Access is granted and a copy containing a list of City positions provided free parking in 2020 is enclosed:

10(1) If information requested is in an electronic form in the custody or under the control of a public body, the head of the public body shall produce a record for the applicant if

- (a) it can be produced using the normal computer hardware and software and technical expertise of the public body; and*
- (b) producing it would not interfere unreasonably with the operations of the public body.*

14(1) Subject to subsection 7(2), the right of access is met under this Part,

- (a) if the applicant has asked for a copy and the record can reasonably be reproduced, by giving the applicant a copy of the record;*

Disclosure of the personal information contained within the record is deemed reasonable under section 17(4)(e) of FIPPA, as it relates to employee benefits.

17(4) Despite subsection (2), disclosure of personal information is not an unreasonable invasion of a third party's privacy if

- (e) the information is about the third party's job classification, salary range, benefits, employment responsibilities or travel expenses*
 - (i) as an officer or employee of a public body,*
 - (ii) as a minister, or*
 - (iii) as an elected or appointed member of the governing council or body of a local public body or as a member of the staff of such a council or body*

The Manitoba Ombudsman's free online brochure, titled "[Tips for making a FIPPA request](#)," provides useful information, which can help you structure any future FIPPA requests.

Section 59(1) of the Act provides the option to make a complaint within 60 days from the receipt of this letter on the prescribed form to the Manitoba Ombudsman located at 750-500 Portage Avenue, Winnipeg, MB, R3C 3X1 (Telephone 204-982-9130, or toll-free in Manitoba 1-800-665-0531).

If you have any questions, please contact me at 204-986-7509.

Sincerely,

A handwritten signature in blue ink that reads "Chantel Fehr". The signature is written in a cursive style with a blue ink color.
