

RE: FIPPA Request: 2022-003

I am writing to acknowledge the request made under the Freedom of Information and Protection of Privacy Act (the "Act"). Your request was received by the Scarborough Health Network (SHN) Privacy Office on **August 26th, 2022 and clarified on September 20th, 2022.**

Your clarified request is for the following information:

- Please provide data from the hospital's Wait Times Information System (WTIS), on the number of patients on the waitlist for MRI and CT Scans that died in fiscal year 2021-2022. The death date of the patient will be excluded. If possible, please provide the following details:
 - The type of scheduled procedure (Including Service Area and Details when applicable) *In cases where the uniqueness of the procedure would reveal the identity of the patient, service types and details will not be disclosed.*
 - Patient type (I.e., Inpatient, Outpatient, Emergency, etc.)
 - Scheduled Procedure Date and Time
 - Order Received Date and Time
 - Governments' target time
- The organization will state caveats and parameters to be aware of, to ensure the data is representative.

A search has been conducted and the responsive records have been identified. A decision has been made to release the records in full. Please see the responsive records attached.

You may request the Information and Privacy Commissioner to review the sufficiency of our institution's search for records within thirty days from the date of this letter. The Commissioner's address is Suite 1400, 2 Bloor Street East, Toronto, Ontario, M4W 1A8. The appeal fee is \$25.00 for general record requests, payable by cheque or money order to the Minister of Finance and must be included with your correspondence.

If you have any questions or concerns about your request, please do not hesitate to contact me in writing at jmunroe@shn.ca or by telephone at 437-994-6302. We would appreciate you using the above listed access request number in any further correspondence.

Sincerely,

Cory Bryan
Interim Vice President & CFO

Please Note:

- Data Source: Wait Time Information System (WTIS)
- WTIS only includes MRI and CT exams
- Cases included were ordered between April 1, 2021 - March 31, 2022 and cancelled with reason of Patient Death
- There are 2 cases that were scheduled for 2 exams that are the same patient (patient 119 and 120)
- Order received Date and Time is when DI clock starts
- Specified Date Procedures are MRI and CT scans to be completed once a predefined time period has elapsed and there are no wait times recorded with these procedures as they must occur at a specific point in time
- Date of Patient Death is unknown; the cases below only shows that the waitlist entry was closed with a reason of Patient Death
- Reason for Patient Death is unknown (i.e., Patient Death may or may not be related to wait for MRI/CT and reason for requesting exam is unknown)

Patient	Service Area	Service Detail 1	Service Detail 2	Patient Type	Wait 2 Priority Level	Status	Clinical Indication For Scan	Specified Date Procedure	Order Received Date and Time	Scheduled Procedure Date and Time	Procedure No Longer Required Reason(s)	Provincial Target - Wait 2 Access Target (Days)
