Re: *Freedom of Information and Protection of Privacy Act*
Request For: "FOI – DIAGNOSTIC/CONSULTATION WITH SPECIALIST: Please provide data on the number of patients that died while on a waiting list for either a diagnostic scan or a consultation with a specialist in fiscal year 2022-23. Please break the data out by procedure and case info – date the patient went on the waiting list, date for the meeting with a specialist or date for diagnostic scan (if scheduled), and date of cancellation. Please also note the government's target time for providing the consultation or scan in question. (Note: many hospitals/health regions were able to identify such cases as they track the reason for cancelled operations.)"
Time Frame: April 1, 2022 to March 31, 2023
File No.: 2023-21

I am writing in response to your request for access to information described above, pursuant to the *Freedom of Information and Protection of Privacy Act* ("the Act"), which was received by Health PEI on April 25, 2023. We are pleased to provide you with access to the available information below and in the attached spreadsheet.

The attached spreadsheet includes information for a total of 196 individual patients and 216 scan orders, some patients had more than one order and you will notice the same identifier number is indicated in these cases.

The following is summary of the scans by department:

Diagnostic ² Procedure	Number of patients	Average length of wait (days) prior to cancellation	50th Percentile	90th Percentile
CT	82	84	53	216
VASCULAR	28	153	154	261.2
BMD	25	179	80	364.4
ECHO	22	159	194	276.8
US	22	119	32	261
MAMMODIAG	18	85	82.5	162.8
MRI	8	95	56	193.8
RAD	8	7	6	14.3
NM	3	28	13	51.4

¹CT= Computerized Tomography, BMD = Bone Mineral Densitometry, US = Ultrasound, ECHO = Echocardiogram,
MAMMO = Mammography, RAD, Radiology, MR = Magnetic Resonance Imaging, NM = Nuclear Medicine

Please note that there is no Canadian Institute for Health Information ("CIHI") Benchmark timeframe indicated for these scans for 2022. Wait time is defined, for the purposes of reporting to CIHI, as the period of time between the patient accepting the first available appointment for the diagnostic procedure and the booked date for the procedure. In the current context, wait time is the time between booking date and death/cancellation date. Health PEI does not collect the data related to the date of referral to a specialist.

Under Section 60 of the *Freedom of Information and Protection of Privacy Act*, you may ask the Information and Privacy Commissioner to review this response to your request. Your request for review must be delivered, in writing, to the Commissioner no later than sixty (60) days from the date of this notice (written above), via mail to 149 Kent Street, Suite 301, P.O. Box 2000, Charlottetown, PE, C1A 7N8; or by email to infoprivacy@assembly.pe.ca.

If you wish to request a review, please provide the Commissioner with the following information:

1. The file number quoted at the top of this notice.
2. A copy of this letter.
3. A copy of your original request for information that you sent to Health PEI.
