RE: Access to Information and Protection of Privacy Request #1029-20-2324DH44156

Dear Ms. Schulz:

With reference to our letter dated April 18, 2024, to you, the information provided to you previously was for the Qikiqtaaluk Region. As outlined in the ATIPP, s.7(2), the Department of Health has a duty to create records where the record can be created from a machine-readable record in the custody or under the control of the department using its normal computer hardware and software and technical expertise, and creating the record would not unreasonably interfere with the operations of the public body. The Department of Health cannot provide you with the information you requested for the Kivalliq and Kitikmeot Regions because some of the information is held outside of the department (e.g., waitlist information is held by specialists' clinics or by other jurisdictions) or obtaining the information would unreasonably interfere with the operations of the department.

If you are not satisfied with this response, you may request a review by the Information and Privacy Commissioner under Section 28 of the Access to Information and Protection of Privacy Act. You have 30 days from the receipt of this notice to request a review by writing to:

Information and Privacy Commissioner
P.O. Box 1000, Station 270
Iqaluit, Nunavut X0A 0H0
Tel: (867) 979-3081
Email: admin@atipp-nu.ca

If you wish to request a review, please provide the Office of the Commissioner with the following information:

1. The reference number quoted at the top of this notice;
2. A copy of this letter;
3. A copy of the original request for information that you sent to the Department of Health; and
4. The reason why you are requesting a review.

Should you have any further questions regarding this file, please contact Murugesh Narayanan, ATIPP Coordinator by e-mail at mnarayanan@gov.nu.ca or by phone at (867) 975 - 5729.

Sincerely,

Megan Hunt
Deputy Minister Health
Government of Nunavut
