**RE: Access Request OH24-046**

Dear Kristen,

I am writing to update you on your request under the Freedom of Information and Protection of Privacy Act (FIPPA), which was received by our office on November 18, 2024.

*Please provide data on the number of patients that died while on a waiting list for either a diagnostic scan or a consultation with a specialist in fiscal year 2023-24. Please break the data out by procedure and case info – date the patient went on the waiting list, date for the meeting with a specialist or date for diagnostic scan (if scheduled), and date of cancellation. Please also note the government's target time for providing the consultation or scan in question. (Note: many hospitals/health regions were able to identify such cases as they track the reason for cancelled operations).*

A search has been conducted and the responsive records have been reviewed. A decision has been made to grant access to the responsive records. The official responsible for making the access decision to this record is Matthew Anderson, President and CEO, Ontario Health.

Section 57 of FIPPA requires fees to be charged for processing a request. The fee for processing your request was \$330. The breakdown for your fee is as follows:

- \$330 for search time and records preparation based on 11 hours of time @ \$30 per hour

Ontario Health has received full payment for this request.

You may request the Information and Privacy Commissioner of Ontario ('the IPC') to review this decision within 30 days from the date of this letter. The IPC's address is Suite 1400, 2 Bloor Street East, Toronto, Ontario, M4W 1A8. The appeal fee for a request like yours is \$25.00, payable by cheque or money order to the Minister of Finance. This fee must be included with your correspondence with the Commissioner's office. You may wish to refer to the IPC website at [www.ipc.on.ca](http://www.ipc.on.ca), or phone the IPC at 1-800-387-0073, for details.

Should you have any questions, please contact us. We would appreciate you using our request number OH24-046 in any further correspondence with Ontario Health about this request.

Sincerely,

Adam Roffel  
Senior Specialist, Freedom of Information  
Ontario Health
