February 24, 2025

Dear Mr. Stewart:

Subject: City of Toronto Access Request Number 2025-00230

I am replying to your access request under the *Municipal Freedom of Information and Protection of Privacy Act*. You have requested any records from Payroll, Pension and Employee Benefits regarding the number of employees in 2024 who were eligible to receive multiple pensions upon retirement, including any data on total employer/employee contributions for second and third pension plans and the average number of full-time employees for the City of Toronto in 2024. Records search from January 1, 2024 - December 31, 2024.

Staff of Payroll, Pension and Employee Benefits have conducted a search for records responsive to your request. This decision reflects the results of that search.

Decision

Access is granted in full to the following information provided by Payroll, Pension and Employee Benefits:

- No employees received or contributed to more than one pension plan payment.
- Average number of full-time employees in 2024 = 27,826.

Should you have any questions, please contact **Denise Stuckless, Senior Access and Privacy Officer**, at 416-338-5636 or denise.stuckless@toronto.ca.

Yours truly,

For John D. Elvidge
City Clerk

Thank you for your response to our FOI #2025-00230!

I just want to clarify something – when responding to our request, the City of Ottawa usually includes data for the OMERS Retirement Compensation Arrangement (RCA) as it's essentially a pension. I'm assuming your city doesn't participate in the RCA, but would like to confirm. If you do participate could you please provide the data? (Cost of contributions, number of employees)

Thank you,

--

Good morning,

I have been advised by our Payroll unit that the City does not participate in the OMERS Retirement Compensation Arrangement (RCA).

Thanks, Denise
