Dear Kristen Schulz:

**Re: *Freedom of Information and Protection of Privacy Act (FIPPA)*
Request – Fraser Health 25-1016**

I am writing in response to your FIPPA request made to Fraser Health on May 7, 2025. Specifically, you requested the following information:

- 1. Please provide data on the number of patients that died while on a waiting list for surgery or a procedure in fiscal year 2024-2025. Please break the data out by procedure and case info – date the patient was referred to a specialist, decision date, date for the procedure and date of cancellation. Please also note the government's target time for providing the procedure in question. (Note: many hospitals/health regions were able to identify such cases as they track the reason for cancelled operations)*
- 2. Please provide data on the number of patients that died while on a waiting list for either a diagnostic scan or a consultation with a specialist in fiscal year 2024-2025. Please break the data out by scan/consultation info – date the patient went on the waiting list, date for the meeting with a specialist or date for diagnostic scan (if scheduled), and date of cancellation. Please also note the government's target time for providing the consultation or scan in question. (Note: many hospitals/health regions were able to identify such cases as they track the reason for cancelled operations).*

After conducting a search for records 16 pages were found in response to item 2 above.

Please be advised that the total number is dependent on clerical resource receiving this information from the patient's family or physician during the booking process and accurately recording it in the Hospital Information

System. The cause of death is not captured. This information should not be used as a direct correlation to the cause of death.

This information was completed for the last 365 days due to limitations of our legacy Meditech system (client server).

The records have been provided in their entirety. This is the second and final release of information related to this request.

Should you wish, you may ask the Information and Privacy Commissioner to review Fraser Health's response. You have 30 business days from receipt of this notice to request a review in writing to the Office of the Information and Privacy Commissioner.

Detailed information on how to request a review by the OIPC is available on the OIPC website: <http://www.oipc.bc.ca>.

If you have any questions or require any clarification regarding the processing of your request, please email the author of this letter at kristina.schnitzer@fraserhealth.ca.

Sincerely,

Kristina Schnitzer
