RE: Access Request OH25-025

Dear Kristen,

I am writing to update you on your request under the Freedom of Information and Protection of Privacy Act (FIPPA), which was received on April 23, 2025. You requested the following information:

Please provide data on the number of patients that died while on a waiting list for surgery or a procedure in fiscal year 2024-25. Please break the data out by procedure/surgery and case info - date the patient was referred to a specialist, decision date, date for the procedure and date of cancellation. Please also note the government's target time for providing the procedure in question. (Note: many hospitals/health regions were able to identify such cases as they track the reason for cancelled operations).

A search has been conducted and the responsive record has been reviewed. A decision has been made to grant access to the responsive record. The official responsible for making the access decision to this record is Matthew Anderson, President and CEO, Ontario Health.

Section 57 of FIPPA requires fees to be charged for processing a request. The fee for processing your request was \$330. The breakdown for your fee is as follows:

- \$330.00 for search time and records preparation based on 11 hours of time @ \$30 per hour

You have already paid a 50% deposit on this fee. Please make your cheque or money order for \$165.00 payable to the Minister of Finance and forward it to my attention at 525 University Ave, 5th Floor, Toronto, Ontario M5G 2L3. Receipt of the fee is requested prior to sending response records.

FIPPA provides that all or part of the fee can be waived if in our opinion it is fair and equitable to do so. Should you request a fee waiver, you may be required to provide proof to support any waiver claims. Please notify me as soon as possible of your wish to proceed with a request for a fee waiver.

You may request the Information and Privacy Commissioner of Ontario ('the IPC') to review this decision within 30 days from the date of this letter. The IPC's address is Suite 1400, 2 Bloor Street East, Toronto, Ontario, M4W 1A8. The appeal fee for a request like yours is \$25.00, payable by cheque or money order to the Minister of Finance. This fee must be included with your correspondence with the Commissioner's office. You may wish to refer to the IPC website at www.ipc.on.ca, or phone the IPC at 1-800-387-0073, for details.

Should you have any questions, please contact us. We would appreciate you using our request number OH25-025 in any further correspondence with Ontario Health about this request.

Sincerely,

Adam Roffel

Note: The information provided should be interpreted with caution. Mortality can be affected by many complex and interrelated factors (e.g. clinical, socioeconomic, cultural). The above surgical statistics do not indicate that patients passed away as a result of wait times for a surgical procedure.
