Hi Mrs. Schultz,

Please find below Vitalite Health Network's response to your Request to Information.

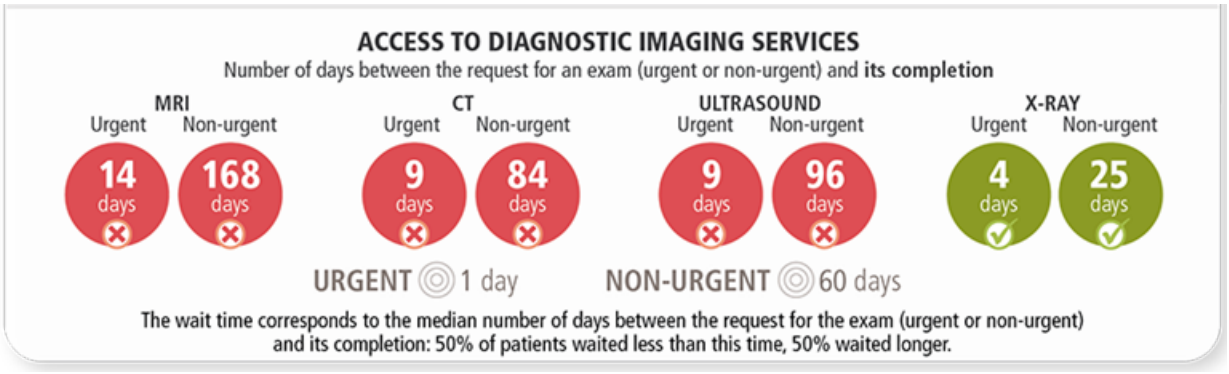

Request :

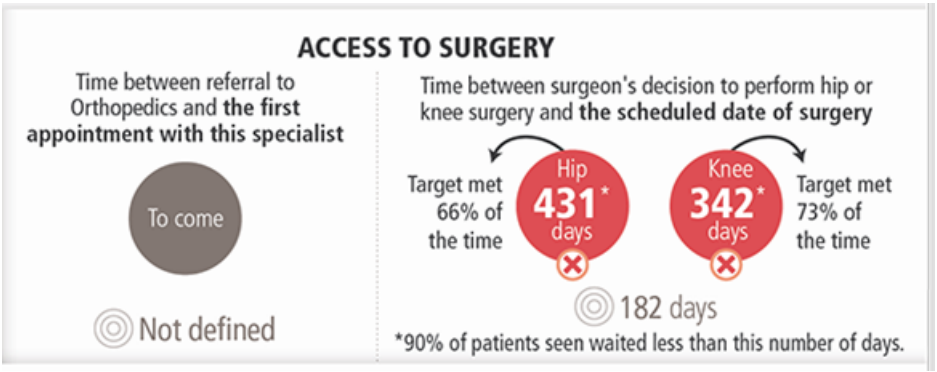

"A copy of the most recent data on the number of patients in the province (or best estimate) who are: currently on a waiting list or waiting to be placed on a waiting list for surgery or a procedure, a diagnostic scan or appointment with a specialist. (Date Range for Record Search: From 4/15/2025 to 1/9/2026). A single summary figure by type is preferred."

Response :

- As of December 31, 2025, Vitalité Health Network had a total of 5,924 patients on the surgical waitlist, distributed across the zones as follows :
  - 3,285 in Zone 1B
  - 1,026 in Zone 4
  - 415 in Zone 5
  - 1,198 in Zone 6
- For ambulatory care procedures, the waiting lists are kept in the physicians' offices; Vitalité does not manage this list.
- As of February 1st, 2026, the Vitalité Health Network had 67 063 patients waiting for a diagnostic examination.
- Currently, Vitalite ~~Our~~ reporting tools do not capture waitlist volumes for specialist consultations~~, so we are unable to provide this information currently.~~

Additional information is available to the public via the link Network's Performance - Vitalité | Francophone leader serving its communities below are extracts relevant to your request.

Best regards,

Merci / Thank you / Wela'lin / Woliwon

Subject: Freedom of Information Request

ATTENTION! External email / courriel externe.

Hello,

I would like to file our annual Canada Waits freedom of information request. It is as follows:

"A copy of the most recent data on the number of patients in the province (or best estimate) who are: currently on a waiting list or waiting to be placed on a waiting list for surgery or a procedure, a diagnostic scan or appointment with a specialist. (Date Range for Record Search: From 4/15/2025 to 1/9/2026). A single summary figure by type is preferred."

I wanted this to go to the Department of Health and in the past they've been able to give me part of the information and the rest came from Horizon and Vitalite, so I've included them in this email.

Thank you!
