Request:

I would like data on the amount of write-offs from the fiscal year 2025/26 for health services provided to patients who are not residents in Canada. Please also note the current outstanding obligation for these cases. The date range I am requesting records for is from 04/01/2025 to present.

Data:

Write-offs for Non-Canadian Resident Patients between April 1, 2025, to July 31, 2026	
Total:	**$9,536,626.34**

Contextual note:

The amount provided in this release represents accounts that were written off by Nova Scotia Health during the period of April 1, 2025, to July 31, 2026, regardless of when the underlying health services were provided. The receivables included in the total write-off amount relate to multiple fiscal years, including services rendered in various years prior to the write-off date.
