Health PEI Analysis of Non-Canadian Write offs

Accounts are still open in HPEI AR system, but show as a $0 balance owing.

For accounts to be written off, all collection efforts were made and a submission is made to TB for write off approval. This should happen annually, but sometimes gets deferred.

Deferred - election, more information etc.

***Summary of when TB approved write offs submited by HPEI**

Year	Comment	Non- Canadian Write-Offs	Total Non-Canadian Outstanding - March 31, 2026
2025-26	TB # 580/25	1,077,076.73	1,718,050.52
